myStick - formgestanzte Haftnotizen

Die Haftnotiz in Form gebracht

Damit Ihre Haftnotizen sich von denen der Mitbewerber abheben, müssen Sie förmlich aus der Masse herausstechen. Geben Sie daher Ihren Haftnotizen für einen hohen Wiedererkennungswert eine individuelle Form. Hierfür können Sie eine unserer bestehenden Formen nutzen oder mit eigenen Ideen an uns herantreten. Die Form erhöht den Aufmerksamkeitswert und gibt Ihrer Haftnotiz eine besondere Note. Sie schaffen so eine bildhafte Verbindung zu Ihrem Unternehmen.
